## WHY YOU SHOULD JOIN PMD

### *The Key to Opening New Doors*

The business opportunities in property management are expanding constantly, but the demands on your time are increasing just as fast. How can you stay up-to-date on trends and developments in real estate management? The objective of the NC REALTORS® Property Management Division (PMD) is to provide legislative, educational and networking opportunities to North Carolina's professional property managers.

## BENEFITS

### + PMD Legal Handbook

The Property Management Legal Handbook is a basic summary of laws regulating and affecting the management of rental property in North Carolina. All PMD members receive the latest revised edition of the Handbook, and all current members are sent revisions, as they occur. Ask any current PMD member and you will hear that this is their most valuable daily tool.

### +Educational Meetings

PMD offers classes for CE credit across the state throughout the year. PMD members pay a reduced registration fee to attend, while non-members are charged a higher fee per class.

### + Legislative Participation

NC REALTORS® employs a full-time legislative lobbyist to represent the professional interests of REALTORS® in state government. Through membership in PMD, you gain access to our lawmakers and can have input in the direction of new real estate legislation.

### + Statewide Professional Networking

Through PMD membership, you'll become acquainted with property managers across the state, benefit from business referrals, and develop an informal network of professionals with whom you can discuss specific problems, ask questions and share ideas.
